

# Reducing Healthcare Costs

## WORKING TOGETHER TO BUILD A BETTER MODEL OF CARE

We are a network of doctors, hospitals and other organizations that work together under the shared responsibility of providing coordinated care to children—working together to build a better model of care. A better model of care means transforming from a fee for service system to a value based system—empowering families throughout the continuum of care. A complete health care solution includes a pediatric care model that reduces costs, finds efficiencies and improves the lives of children and employees.

## Transformation of Healthcare

The broader healthcare market is also undergoing a fundamental transformation from “volume” to “value”
